

Dear Friends;

On behalf of the Board of Directors, volunteers and patients of the Bluffton Jasper County Volunteers in Medicine, thank you for purchasing tickets to our gala: *Bourbon & Bubbly*. Many hours of work by our committee members and volunteers have gone into making this event a memorable one!

We are most appreciative of our sponsors, chefs, vendors and volunteers who have come together to insure this evening will be a great success. An evening of genuine fellowship, wonderful food and great entertainment awaits you on November 4th.

This is also an evening about giving and providing additional opportunities for you to contribute to the medical needs of those members of our community who are uninsured. Throughout the night you can help BJVIM raise more of the much needed funds necessary to operate our clinics. While you are mingling with friends, please bid on the many wonderful items on our silent auction tables! Items include: an evening sail down the May River, weekend get-a-ways, wines and bourbons, an original painting from a local artist, a discovery flight, gift certificates to local restaurants and more!

Our evening will conclude with the Heritage Classic Foundation's "Fund a Need" event during which time they will match your donation with an additional 15%. All donations must be pledged and completed within 10 days. We hope you will take advantage of this very special opportunity. We are so pleased that you are joining us for this special night. Thank you for caring for those less fortunate. Your gift of good health insures the continued success of our great community! For your convenience, parking will be available on Wharf Street at the First Zion Baptist Church or on Calhoun Street.

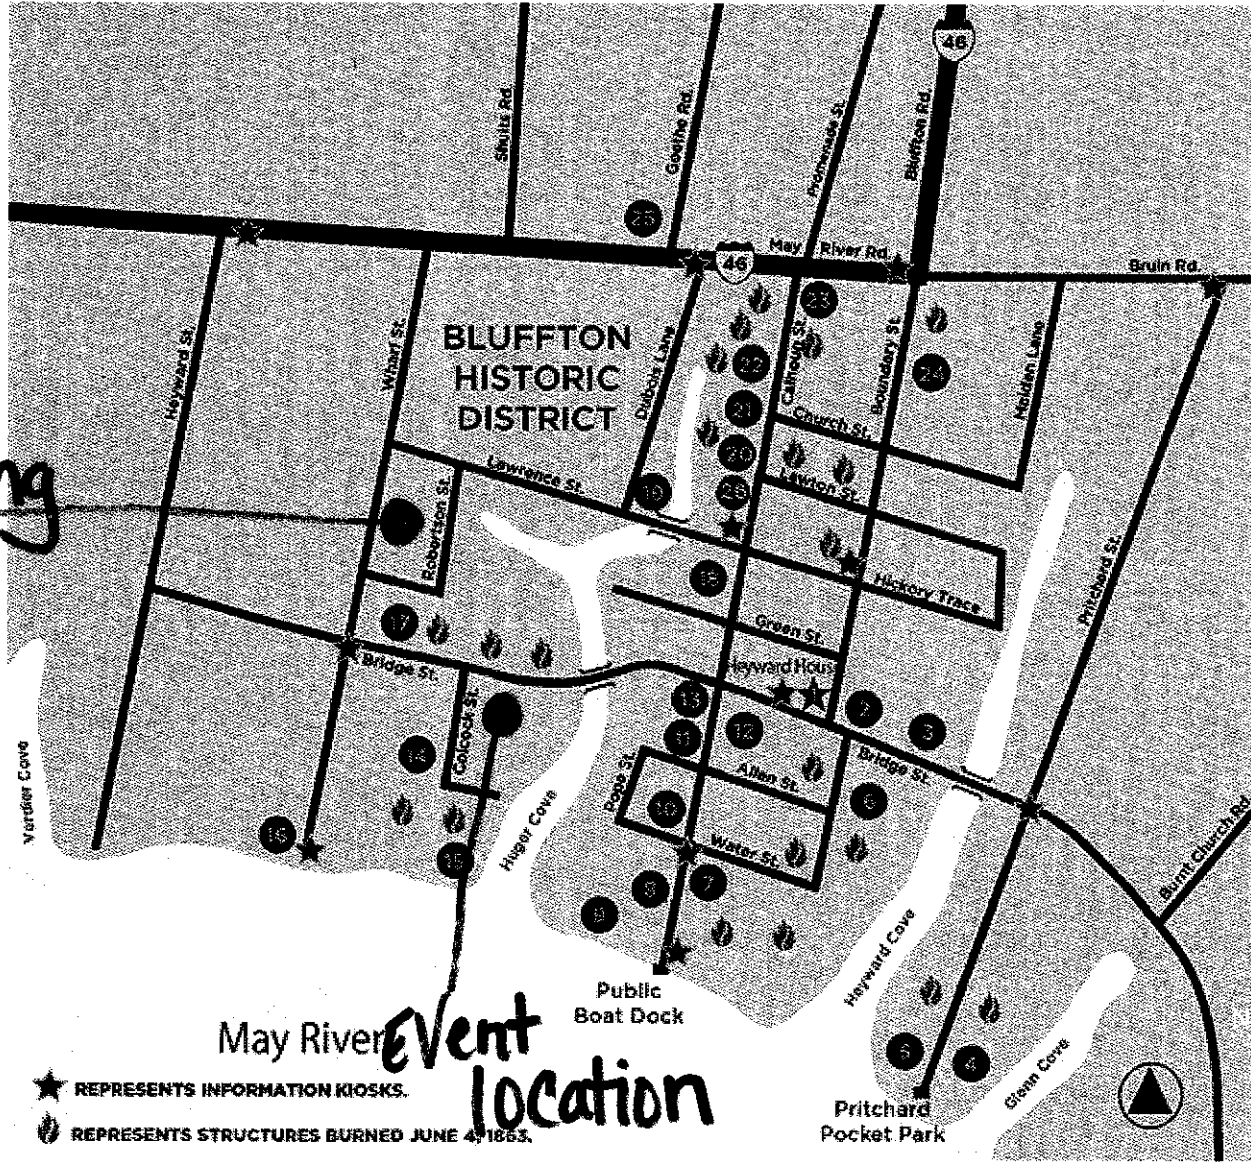

Additional event information is available on our website:
